On Friday various meetings will be held at University of Cape Town. One meeting and WP6 workshop will be held in the seminar/tea room of the Oceanography Department (D10/11) on the map below, ground floor of James Building, upper campus, University of Cape Town, Rondebosch. Cape Town. The other meeting in a room adjacent to the John Day Museum where coffee will be served and general assembly held. Lunch will be served at the club (E11) on the map below.

A blue Jammie Shuttle bus will pick you up outside the Breakwater Lodge on Portwood Road at 800. The Jammie Shuttle (JS) will drop you at the north end of University Avenue, Block D11 on the UCT map (JS logo in red circle). From there you walk down to the entrance of the James building to the Oceanography Dept. or walk southwards along University Avenue to the John Day Building, Block C9 on the map. Use Entrance 20 to the Fitzpatrick Institute, and take the red stairs to the top (Level 3, 2 flights of stairs). At the top of the stairs is the John Day Museum, venue for the day. There is a room for 20 and a bigger room for the general assembly and coffee break. A bus will drive you back at 1800 at the Information Centre (VRIC) opposite the UCT Club (lunch venue). You can hang at the UCT club after lunch or even hold informal meeting there or ask the info center to call a taxi.

If you take a taxi, let him drop you in the parking of the info center, upper campus, University of Cape Town (E10 on the map below). Just above the sport Center. The entrance of the Oceanography Dept. is 30 meter above the Info centre parking. The seminar room is to the right of the entrance of the Oceanography Dept. and then third right. For the John day go around the James building from the right to University Avenue
